422 Canning Highway, Attadale

Modern and timeless design

Cube on Canning aspires to set a new benchmark for sustainable, simplistic and restorative apartment living. Textures, patterns and clean-lined details are partnered with robust and durable materials to ensure a lasting quality for its owners and the community.

Inspired by the lush adjacent parklands, it also centres around an open landscaped core to enhance light and bright internal spaces and gentle cross breezes.

Escape the working world's everyday noise and return home to living spaces that embody sleek, modest and uncluttered aesthetics, enriched by warm, textured and natural materials.

Designed by acclaimed CAPA Architects and grounded by the principles of Japandi style, these 1 and 2 bedroom apartments deliver the perfect blend of executive elegance and minimalism.
